5. Any Matters Arising from the last (ordinary) meeting

Item 16(ii) – S106 funding for Chipping Campden School – Cllr Driver had raised an enquiry as to why S106 monies in respect of the Waterstyles housing development in Longborough had been awarded to Chipping Campden School as opposed to it being awarded to Longborough's local primary school. Cllr Stowe had since responded that the S106 funding allocation was for secondary schools and would always follow the catchment school for the area which the development was located, which was Chipping Campden School in this instance.

Discussion ensued and the use of half grasscrete and raised kerbs were considered.
